

Cover

Refund Guardian - Turn receipts into cash refunds automatically

Problem

Shoppers miss post-purchase price drops and lose money.

Solution

Upload receipts once. We watch, file claims, and get you refunds.

How It Works

- 1) Upload receipt 2) We monitor prices 3) We submit claims 4) You get cash back

Features

OCR, Cross-retailer price graph, Ad capture, Concierge service

Market

US e-commerce over 600B, big opportunity

Roadmap

MVP -> Automation -> Partnerships

Business

Success fee + subscription
